

Closed Campus – Lunch Permission

Greystone Centennial Middle School is a closed campus. Thank you for your anticipated cooperation, as we know that student safety is important to all of us.

All students are expected to be on school property throughout the day.

The following exceptions are:

- Students who are attending a school-sponsored off-site activity.
- Grade 9 Students who are permitted to leave campus during the lunch break (12:45-1:40 pm), and are expected to return prior to the afternoon bell.
- Students in LC 5 to 8 who have signed parent/guardian permission to leave campus to go to their own home for lunch on a daily basis (see below).

NOTE: If there is a change in routine for a student who normally eats lunch at school (i.e. is leaving early for an appointment, going home for lunch, etc.) Please write a note, or e-mail to greystone@psd.ca or call the school office at 780-962-0357.

Please indicate the expected lunch routine for your child:

My child will typically:

- Remain at school to eat lunch
- Come home for lunch
