- a) Purdy's is open until March 25, currently return would be approx. \$350.
- b) Little Caesars is open until April 11. We need to sell 100 items sold for the fundraiser to proceed. If we don't meet this goal, all purchases will be refunded.
- c) Kiwi Nurseries will be open April 8- May 2 with purchases available for pick up by the purchaser at the nursery mid May.
- d) Jenn has contacted Pizza 73 about the home delivery fundraiser. FOGS would receive \$5/order by Greystone families who order from Pizza 73.
- e) Kaeli and Jenn met with Write On and School Start for stationary fundraising. Write On was selected as the vendor for this upcoming school year. Supply lists will be reviewed by GCMS staff at the March 28 PD day. Orders would be available for pick up at Greystone before school begins in August.
- f) Kristina Ruhland will oversee Wilhawk Beef Jerky fundraiser in May/June.
- g) Jenn posted on social media that FOGS is looking for someone to assist in writing the Community Facility Enhancement grant from the AB government for the playground equipment repairs funding. We may need to give GCMS some of the funding prior to the application due to financial requirements of the grant.

5) **Fundraising Report:**

- a) Fundraising Coordinator: Jenn gave fundraising updates for Purdy's, Little Caesars, Kiwi Nurseries and Pizza 73.

- b) Hot Lunch Coordinator: Dayla shared that ordering for April begins March 16-23 at 4:00pm. Greystone will provide her with any Friday May/June field trip dates so she can post these on the order page for the next ordering period. Some issues with vendors arriving late with lunches to the school. Dayla has spoken with them of the importance of arriving before the requested time to allow parents to sort the lunches for 12:45. Hot lunch volunteer needs will be in the Inferno newsletter. Parent volunteers asked that classes be reminded of the importance of returning the bins to the canteen so they can be sanitized for the following week.
  
  - 6) Treasurer Report and Budget: Heidi wasn't able to attend. Jenn shared that current balances total \$16,279.79. \$2000 is in the Casino account for the next casino. \$14,193.89 is in the operating account. Insurance is due- \$451.39, down from \$643.31 last year. Budget was \$800, so we have a surplus for that. Do we want to reduce the amount to carry over for next year from \$9000, since our operating costs have been lower due to COVID? FOGS will discuss for the next meeting. The books were audited by Kim Buchanan and Dayla Cochrane for end of March/22. They will audit again in August. The 2021 filing is complete and has been submitted to Service.
  
  - 7) New Business:
    - a) Grants for the Archery equipment and playground are ongoing
  
    - b) Track and Field Concession for May 12. A planning committee will be set up and plans to meet after Spring Break to determine job titles, food/supply needs. Corey to ask Kelly Kennedy to share with FOGS past concession procedure since none of the current executive has done the concessions before.
  
    - c) Inferno Night May 5. Jenn and Kaeli to present. Need volunteers to man a table in the foyer to engage Grade 4 parents for next year. Letter for incoming Grade 5 students to be prepared for Inferno Night/Day by FOGS and Council.
