## 3) Review and Approval of Minutes:

Motion: Dayla Second: Chantelle
4) President and Vice President Report: Jenn reported.
a) Kiwi Nursery fundraiser is slow. Currently 8 orders, so approx. $\$ 120$ commission. The selection isn't more limited for this year's campaign.
b) May 12 Track concession planning is underway. Volunteer sign up will be available through Google or email for that day. Hot dogs at Sandyview and Burgers from M\&M to be picked up May $10^{\text {th }}$ and $11^{\text {th }}$. Waiting to hear back from Sobeys when pick up is for buns. Concession list has been shared for distribution.
c) May 18 Zone Track concession planning is also underway. Contacted Keri Zylla to see if the council chair email is the most appropriate way to contact the other school fundraising groups. We need a BBQ at the Comp that day if someone has connections to one. The one we thought we could use is unavailable that day. Would also need a canopy tent if someone has one we can use.
d) Write-On Stationary supply lists were shared at the last staff meeting. Will send to the office for printing and get them ready to be sent home sometime next week or the week after. Copies for incoming Gr 5 will be provided to Millgrove.
e) Had to change Staff Appreciation Lunch to Friday, May 5, as the quotes were all almost $\$ 1000$ and there wasn't enough time to plan an alternative for April 28. Lunch will be provided to staff by FOGS instead of catering. Jenn and Kim planning.
f) Archery joint concession wasn't well supported. Millstone barely made their cost back before considering FOGS purchasing the leftovers for the Track Concession. Millgrove sent the invoice for these items totalling $\$ 194.66$. Cheque to be taken to Millgrove for same. Raffles organized by the Millstone Archery Club were well supported: Prize raffle
and 50/50 cash raffle both went well. FOGS could explore the 50/50 cash raffle where you purchase squares for next year at events
g) Wilhauk Beef Jerky fundraiser will be the end of May/early June. Kristina coordinating with Wilhauk.

## 5) Fundraising Report:

Fundraising Coordinator: Jackie was unable to attend.

Hot Lunch Coordinator: Dayla shared that hot lunch sales end today. Sales down but due to cancelling for May 12 and notifying parents about May 18 Zone track meet if students are attending. One lunch had to be refunded as the student didn't receive their lunch. One parent was charged twice. Heidi will look into whether they can be refunded or issued a credit. Dayla asked about June field trips. Corey will let us know.
6) Treasurer Report and Budget: Heidi presented the account balance of $\$ 31,766.61$ in the operating account. Some hot lunch cheques still haven't gone out of the account. Cheque for playground repair using the CFEP grant and matching funds to be given to Greystone. Kaeli will send the request from council for funds from FOGS once we have the final total for the matting.
