Course Outline and Objectives

The ultimate goal of French as a Second Language is communicative competence in the French language with acquired skills in the areas of: Reading, Writing, Listening, Speaking and Culture.

Course Organization and Assessment

In the pursuit of communicative competence, students will be exposed to a variety of French language media such as literature, film, music, poetry, scripts, and video clips to engage students in language acquisition using comprehensible input. Throughout the year students will acquire language skills by weaving common fields of experience like food, clothing, family, friends, animals, weather, home, sports, school and holidays into the programming.

Grade 5 key activities include: Moi et Ma Famille, Décrivez un Monstre, C'est L'hiver!, Les Vêtements, Greystone Carnaval (mini Quebec Carnaval), Manie Musicale, Les Animaux, and the French play, Prince Grenouille.
